6. (Internal Use Only - PLC) LIAISON Based on information
provided by [] C/P&CS/NC, I called Chairman Lester L.
Wolff (D., N. Y.), House Select Committee on Narcotics Abuse and
Control, and informed him that the Agency had no record of any
operation in South Vietnam in 1970 called [] directed
against high political figures for alleged involvement in illegal drug
trafficking. I suggested that the operation may have been conducted
by the U. S. Army or the Bureau of Narcotics and Dangerous Drugs.
Chairman Wolff thought it was probably the Military Intelligence
Division of the Army and he would pursue the matter with them. Bill
Lawrence, of the Select Committee staff (who initially made the
request on behalf of the Chairman), called me earlier and requested
that, since he was going out of town, I handle the response directly with
the Chairman.

7. (Internal Use Only - PLC) FOIA Met with Stan Brand, General
Counsel, Office of the Clerk, House of Representatives, and left for his
review a draft letter from Mr. Tony Lapham, General Counsel, to the
Clerk explaining the Agency's position not to disclose the executive session
transcript of the legislative hearings in 1947 on the National Security Act
of 1947 and requesting the Clerk's response that the transcript is still the
property and under the control of the House. Brand expressed concern
to Lapham's reference to Rule 11 of the House since the Parliamentarian feels
this rule is not applicable in this case. Brand will study it further and let
me know. Mr. Lapham's letter and the Clerk's responding letter are being
prepared for court presentation by the Justice Department during the appeal
hearing on the Goland case.
